

Tuition for the 2021-2022 season is based on the total number of weekly hours your family participates in. The Dance Shoppe offers a considerable discount for families with students attending several classes.

Tuition has been divided into ten equal payments for your convenience. The monthly payment is the same whether there are 3, 4 or 5 weeks in each month.

Your first payment is due upon registration. Each of the following nine payments is **DUE ON THE 15th OF THE MONTH, with your final payment on May 15th**. Checks should be made payable to **The Dance Shoppe**. Any payments dropped in the lockbox outside the studio should be in a sealed envelope, clearly labeled with your dancer's name. If you opt to pay in cash, payment should be made IN the studio during office hours, and you must receive a receipt. If mailing in a tuition check, it must be received **by the last day of the month to avoid late fees**.

For those who prefer to pay with a credit card, you will receive information regarding your studio portal, and will have the option to select auto pay for your tuition for the season, or to pay online via credit card within your portal as well.

We are prepared to continue to keep dancing through the season in any situation, and will switch to virtual classes, if mandated by our state. Tuition payments are expected to continue through any virtual learning situations that may arise.

Monthly tuition payments for the regular dance program are determined by adding the number of WEEKLY HOURS your FAMILY will be studying, and then calculating your monthly tuition

****Please note:** If you have a student in the REGULAR dance program and the Creative Movement, Pre Dance or Kinder Dance, you must price them separately.
